ORLANDO/KISSIMMEE
ADULTING BIG TIME

It's Memphis, Tennessee, but definitely not Elvis' Jungle Room. How about "undersea" bowling at Uncle Buck's Fishbowl & Grill, at Bass Pro Shops at the Pyramid, y'all? These 32-storeys of highly unconventional venue also encompass Ducks Unlimited Waterfowling Heritage Center and Big Cypress Lodge, with meeting and event space for up to 800 attendees. (Among its 103 rooms is Duck Cabin, which mimics a vintage hunting cabin.) Imagine the social media potential for your keglers on these 13 dock-style lanes, amid hand-painted sea-life murals, fish suspended from above and a shipwreck-inspired bar. Hoo-wheee!
