A cool treehouse was a staple of childhood, but even adults can partake in the dream of spending a night in a room nestled among the branches. These days there are dozens of treehouse hotels around the world. Whether you're looking for a lavish stay with all the top amenities or something rustic to reconnect to nature, there is a treehouse hotel out there for you. Here are 15 of the most amazing treehouse hotels, including spots in Thailand, South Africa and Sweden.

BIG CYPRESS LODGE (MEMPHIS, TENNESSEE)

Downtown Memphis may not seem like the spot to find a treehouse hotel room, but Big Cypress Lodge, a wilderness-themed property, has four Treehouse Suites nestled in its hundred-foot indoor Cypress trees. Each can sleep up to eight guests and boast fireplaces and screened balconies that overlook the hotel's Bass Pro Shop Pyramid. There's bowling, a fitness center and dining options, as well as easy access to all that Memphis has to offer (including lots of great music venues). The rooms are rustic and definitely unusual, but they're also fun, especially if your travel plans don't allow you to go deep into the woods.
